SPRING 2016

The Badham Pharmacy Company Newsletter

THE NUMBER ONE FAMILY BUSINESS IN GLOUCESTERSHIRE!†

As one season ends, another begins...

With cold and flu season starting a little later this winter, it's easy to dismiss the importance of stocking up your cupboards ready for the threat of spring hayfever and allergies.

Luckily over the next few months Badham Pharmacy will be offering you some great promotions on all your spring health needs. So when you finally fight off that cold, you won't miss a beat with allergy season.

This month we have a great selection of low-cost allergy remedies to help you start the season with a spring in your step. Pop in to any Badham Pharmacy to

have a chat with our friendly shop and pharmacy staff about which options are right for you.

We'll also have our usual monthly offers on your favourite name brand essentials. Pop in and see us today!

New Additions

We'll also be welcoming some exciting new additions in to our pharmacies! One of the new products we're most excited about is our new Nurofen® chewable capsules for kids. The orange flavour capsules are easy to chew and suitable for ages seven and upwards, perfect for combatting headaches, pains and fever in your little ones.

NOW DISPENSING NHS ELECTRONIC PRESCRIPTIONS

Ask in store or visit our website to find out how the NHS Electronic Prescription Service can benefit you.

**British Heart
Foundation**

RAMP UP THE RED

In February, across Badham Pharmacy, our staff were raising money for the British Heart Foundation. The shops really went all out, offering bake sales and holding raffles to help the cause. We're pleased to announce we raised a grand total of £408. A lot of fun was had by everyone and we look forward to our next fundraiser.

Remembering Mrs Jean Badham

Sadly in January 2016, Mrs Jean Badham passed away peacefully after a short illness surrounded by her family.

Peter Badham said; "Mum was an exceptional woman who gave 68 years of her life to the company. She married into the business at the age of 18 in 1947 and worked alongside Dad to help grow the business from very humble beginnings.

She was passionate about staff training and development to provide the best care for all our patients. She was a pioneer with Investors in People award and took the time to remember the needs of the staff.

Mum cared about the welfare of all the staff, felt

everyone mattered and was part of the family as well as the business. Mum was very proud of the company and all that had been achieved. She

was delighted to celebrate the 75th anniversary of the company with the reopening of the Whaddon Pharmacy and the Gala Dinner at Cheltenham Ladies College. Mum was pleased to see so many of the staff and talked continuously since of how much she enjoyed the day.

Mum was a truly inspiring and kind woman. She has left an outstanding legacy of service and care– a fantastic role model for us all."

The Family would like to thank everyone who attended her funeral for their support at what has been a difficult time.
