

CALLING ALL

Pharmacy Students

Are you looking for a paid summer placement in 2018?

Then make yourself known to our HR team!

We can offer a range of 2–8 week paid placements at one of our twenty pharmacies across Gloucestershire & Bristol. During your placement you will gain valuable real-life pharmacy experience working alongside our pharmacists, technicians and dispensers.

You will improve your knowledge of medicines, healthcare services and above all, how to provide excellent patient care.

We welcome applications from students in all years of a pharmacy degree.
